SAQ

(60 Marks)

1. Write appropriate answers (**any ten** out of fifteen) :

(10×2=20)

- a) Give indications of Beri-beris Vulgaris in Renal Calculi.
- b) Give indications of Sarasaparilla in Cystitis.
- c) Give indications of Lycopodium in Duodenal ulcer.
- d) Write indications of Pulsatilla in Hydrocele.
- e) Give indications of Bryonia in Mastitis.
- f) Give indications of Conium in Breast tumour.
- g) Write indications of two remedies with prime indications in Dental cyst.
- h) Give indications of Coffea Cruda in toothache.
- i) Write indications of two remedies with indications in Blepharitis.
- j) Give indications of Aconite in Glaucoma.

P.T.O.

- k) Write indications of Calcarea Fluor in cataract.
- l) Give indications of Hepar Sulph in Pharyngitis.
- m) Write indications of Euphrasia in Rhinitis.
- n) Give indications of Arnica in epistaxis.
- o) Give indications of Causticum in Laryngitis.

2. Write short answer (**any four** out of six) : (4×5=20)

- a) Explain indications of Belladonna and Lachesis in Appendicitis.
- b) Describe the indications of Apis and Colocynthis in Peritonitis.
- c) What is Pneumothorax? Describe two remedies with indications for Pneumothorax.
- d) What is Gingivitis? Name two remedies with indications for Gingivitis.
- e) Name two remedies with indications for Fractures.
- f) Describe the indications of Graphites and Pulsatilla in Deafness.

3. Write short answer (**any four** out of six) : (4×5=20)

- a) Describe Cirrhosis of Liver and write indications of Lycopodium and Podophyllum for the same.
- b) Describe Cystic Hygroma and give indications of two remedies for the same.
- c) Discuss the indications of Bryonia and Phosphorous for Bleeding gums.
- d) Explain the indications of Arsenicum album and Aconite in Conjunctivitis.
- e) Describe the indications of Phosphorous and Ferrum phos in Epistaxis.
- f) What is ozaena ? Give two remedies with indications for ozaena.

LAQ

(40 Marks)

4. Long Answer Question (**any two** out of four) : (2×10=20)

- a) Describe Fissure-in-ano and write indications of Aesculus and Nitric Acid for the same.
- b) What is Thyroglossal cyst ? Give indications of two remedies for thyroglossal cyst.
- c) What is Trachoma? Explain indications of Natrum mur and Thuja occidentalis for the same.
- d) Describe clinical features of Mastoiditis. Give indications of Aurum met and Phytolaccas in Mastoiditis.

Long Answer Question (any one from Q. No. 5, 6 and 7) :

Long Answer Question :

(1×20=20)

5. Discuss Hernia under following headings :

- | | |
|---------------------------------------|---|
| a) Classification of inguinal hernia. | 5 |
| b) Complications. | 5 |
| c) Indications of Nux Vomica. | 5 |
| d) Indications of Opium. | 5 |

Long Answer Question :

6. Explain Goitre under following topics :

- | | |
|-----------------------------|---|
| a) Definition. | 5 |
| b) Classification. | 5 |
| c) Iodum in Goitre. | 5 |
| d) Calcarea carb in Goitre. | 5 |

Long Answer Question :

7. Describe Tonsillitis under following headings :

- | | |
|--|---|
| a) Aetiology. | 5 |
| b) Clinical features. | 5 |
| c) Indications of Baryta carb and Belladonna in tonsillitis. | 5 |
| d) Indications of Baptisia and Phytolacca in tonsillitis. | 5 |
